

MAY - THE POOR

“For there will never cease to be poor in the land. Therefore I command you, ‘You shall open wide your hand to your brother, to the needy and to the poor, in your land.’” Deuteronomy 15:11

The Need in Our City

The population of Greeley has grown tremendously in recent years and is expected to double by 2050. This is exciting but has made affordable housing a growing concern for our community as rents continue to rise.

How We Serve

For several years, St Patrick and other congregations in Greeley have come together to build a house with Habitat for Humanity. Each church makes a financial contribution to the project as well as contributing one day to the construction of the house and one day of lunch for other workers. In 2022, St Patrick has budgeted \$3,000 to help build the next house.

What You Can Do

- Sign up to volunteer at a Habitat build with your family or small group.
- Prepare a meal for Habitat volunteers one Saturday in May or June.
