

FEBRUARY - THE VULNERABLE

“For he delivers the needy when he calls, the poor and him who has no helper. He has pity on the weak and the needy, and saves the lives of the needy. From oppression and violence he redeems their life, and precious is their blood in his sight.”

Psalm 72:12-14

The Need in Our City

When individuals and couples find themselves unexpectedly pregnant, they often make choices out of desperation and hopelessness. Our goal is to provide hope and tangible support to women who wish to carry their child to full term.

How We Serve

St Patrick supports the Resource Center for Pregnancy and Personal Health which cares for individuals and couples who find themselves unexpectedly pregnant or have contracted an STD. Additionally, a number of our members serve either on its Board or its Medical Advisory Board. In 2022, St Patrick has budgeted \$3,000 to support the Resource Center.

What You Can Do

- Sponsor and/ or attend the Resource Center’s annual Gala in March
- Volunteer at the Resource Center
